55

A fun, low impact, group indoor cycling workout where you control the intensity. With great music pumping and the group cycling as one, take a journey of hill climbs, sprints and flat riding. You control your own resistance levels and speed so you can build up your fitness level over time. It's a journey, not a race!

30

Burn calories for hours after this 30-minute High-Intensity Interval Training (HIIT) workout, that uses an indoor bike to achieve fast results. It's a short, intense style of training, proven to return rapid results, where the thrill and motivation comes from pushing your physical and mental limits.

45

A fully immersive workout experience that combines a multi-peak cycling workout with a journey through digitally-created worlds. With its cinema-scale screen and sound system, this IMMERSIVE FITNESS™ workout takes motivation and energy output to the next level, burning serious calories.

30

45

Build incredible tone, strength, stability, and endurance in the muscles that support your core. Improve balance, assist injury prevention, and become better at everything you do! All the moves in LES MILLS CORE have options, so it's challenging but achievable whatever your level of fitness. AB BLAST 15 – the 15 minute finisher, perfect after a workout!

45

A fast paced, fun and high energy workout in the lap pool. This workout is set to a selection of great music and will incorporate a variety of aquafit equipment. One of the main benefits of Aqua classes is that they are low impact – perfect for all fitness levels.

45

Slower-paced movement and mobility focused, this workout in our warm water pool is designed to get you moving through your full range of motion using a variety of aquafit equipment. Low impact and perfect for all fitness levels, come and unwind at Aqua Mobility. GENTLE mobility is a little bit slower and more gentle than Aqua Mobility.

45

This fun and upbeat Aqua Aerobics class utilises the Aqua Belts & a variety of aquafitness equipment, so you will be suspended in the deep end for your workout. This class will have you feeling every muscle in your body without the impact of training on the ground. Suitable for all fitness levels.

45

Aqua Zumba is an upbeat water workout for conditioning, toning, and having great fun. With less impact on your joints, an Aqua Zumba® class allows you to really let loose. Water creates natural resistance, which means every step is more challenging and helps tone your muscles while you feel like you're at a pool party.

55

Burn baby burn! This high intensity interval and functional strength fusion class will have you burning calories for hours! You will combine cardio & functional training moves with short intense bursts of work for a full body functional workout for every body.

55

Punch and kick your way to fitness! This high-energy martial-arts inspired workout is totally non-contact and there are no complex moves to master.

55

A high-energy functional workout, designed to make you work every part of your body. Using a variety of bodyweight, free weight and functional equipment, you will burn calories for hours. Always a different style, always fun!

30

The BP Workout of the Day is a short, high-energy functional workout, designed to make you work every part of your body. Sometimes focusing on a specific body part, the WOD uses a variety of bodyweight, free weight and functional equipment.

55

The Brick Session! A 40 minute RPM class followed by a 15 minute outdoor run. (You don't have to do the run if you just want to ride!)

55

Agility, strength and cardio combined! This Boxing/Fitness workout will develop core strength and boxing technique with drills and combinations as you challenge yourself with intervals of cardio and bodyweight exercises. Have fun punching, ducking and weaving to a fitter, healthier you.

55

A slower paced, floor-based body conditioning class that combines breathing, stretching and strengthening to achieve and maintain optimal posture. Move freely and efficiently by strengthening your deep abdominal muscles and core stabilisers while stretching out tense neck and shoulder muscles.

55

A moving combination of Pilates and Flow Yoga. Strengthen and Lengthen as you combine deep abdominal work with this continuous flow of movement and breath, generating a meditative state, encouraging you to let go of thought and focus on experience of the present moment

30

High Intensity Interval Training will get your heart pumping and your blood flowing! This class will incorporate plyometrics and functional movements in short, explosive bursts to torch calories all day long.

55

Designed for our wiser members, this class focusses on mobility, strength and balance – all core components in keeping you feeling young and fabulous! Suitable for all fitness levels. All exercises can be scaled to your specific needs. GENTLE YOGA – Ease into increased strength, flexibility, balance, mobility, and mindfulness with this slower-paced, yet powerful class.

55

A dynamic yoga class that builds strength, mobility and endurance while calming and relieving tension. Designed to enhance vitality and a sense of wellbeing, move through a series of poses connecting you with your breath, creating a feeling of calm and tranquility. YOGA NIDRA – gentle movement and breath work followed by guided relaxation. Invite calm into your body & mind. SHANTI YOGA – a gentle and restorative practice

55

Get fit and have fun in the original dance-fitness party. Zumba classes feature exotic rhythms set to high-energy Latin and international beats.

45
