BAY PAVILIONS FOR YOUR NEXT EVENT

About us

Bay Pavilions is a place of many experiences and is the Eurobodalla Shire Council's premier destination for arts, aquatics, and leisure activities. The Pavilions is made up of two core destinations – the Arts Pavilion and the Aquatic Pavilion.

The Arts Pavilion includes a theatre, bar, gallery, and studios whilst the Aquatic Pavilion is home to a 25m lap pool, warm water pool, gym, water slides, and splash park. The precinct will be serviced by a café space, visitor centre services, and a retail store.

Bay Pavilions offers event and conference spaces to suit both small and large bookings. Whether you're looking for a location for your next club meeting, staff training session, conference, seminar, corporate event, or live theatre performance, the Bay Pavilions has you covered!

Unique Facilities *We can cater for all occasions.*

YUIN THEATRE

350 capacity

The Yuin Theatre is a multi-million dollar, multi-purpose venue that's fully accessible and flexible with stage and seating options. The retractable theatre seating can seat up to 350 people and converts to a corporate conference facility seamlessly.

The theatre boasts world-class features including fully digital audio technology and modern LED lighting.

DANCE STUDIO

100 capacity

The Bay Pavilions Dance Studio spans 113 square metres and is specially designed to meet the needs of dance enthusiasts.

The space is fitted with a sprung timber floor and is the perfect space for rehearsals, dance classes, performances, and community events.

COMMUNITY ROOMS

10-75 capacity

The Bay Pavilions Community Rooms offer flexible spaces for meetings, workshops, conferences, and events.

The professional setting and facilities of our spaces will ensure your next event runs seamlessly.

YUIN THEATRE

Bay Pavilions

YUIN THEATRE

Bay Pavilions

The Yuin Theatre at Bay Pavilions can seat up to 351 people in 'full theatre' layout, up to 200 people at round tables for a cabaret event, or up to 600 people if used in a 'standing only' format.

This level of flexibility is made possible with the theatre's state-of-the-art retractable seating, offering a versatile flat floor when the raked seating is stowed.

Due to the venue's flexibility, large-scale corporate events including school formals, dinners, and large conferences are easily accommodated.

The venue is fitted with an L-Acoustics line array, operated using fully digital systems.
